

Unwarranted Influence

Chronicling the Rise of US Government Dependence on Conflict

December 2007

Brian Bogart

M.A. Candidate Advanced Strategies for Peace & Diversity, University of Oregon

Colleges and Universities with Department of Defense Prime Contracts

Source: Statistical Information Analysis Division, Department of Defense

(FY2000 through FY2006 CASE Multi-year Educational Nonprofits Prime Contracts, ST25 Multi-year States and Territories Prime Contracts, and ST26 Multi-year Foreign Country Prime Contracts)

Summary

When President Dwight Eisenhower gave his prophetic January 1961 farewell speech warning of the growth of “unwarranted influence” on universities and government by the defense industry, relatively few universities had Department of Defense contracts. As of December 2006, 1,107 universities had DoD contracts, including 161 in 33 other countries.

The 900% growth of Department of Defense *research and development, test and evaluation* (RDTE defense-applied research) prime contracts as reported from fiscal years 2000 through 2006 caps a 60-year trend of expanding ties between the defense industry and institutes of higher education.

Although the number of assistance contracts remained largely constant during this period, a 900% rise in RDTE defense-applied research contracts and total dollars to universities occurred. Total dollar amounts awarded to schools rose from \$4.4 billion in 2000 to \$46.7 billion in 2006. The total number of DoD RDTE defense-applied research contracts to schools rose from 5,887 in 2000 to 52,667 in 2006 (table below).

DoD Defense-Applied Research (RDTE) and Assistance Prime Contracts for Educational Nonprofits

<u>FY</u>	<u>RDTE Contracts</u>	<u>Assistance Contracts</u>	<u>TOTAL Contracts</u>	<u>TOTAL Dollars</u>
2000	5,887	6,866	12,753	4,449,065,114
2001	6,419	9,069	15,488	5,963,956,131
2002	8,872	9,502	18,374	6,725,869,753
2003	9,774	9,458	19,232	7,607,121,978
2004	14,718	8,270	22,988	8,222,404,943
2005	20,081	8,356	28,437	9,929,441,308
2006	52,667	9,821	62,488	46,748,542,346

The following is a comprehensive listing of educational institutions with Department of Defense prime contracts for fiscal years 2000 through 2006 divided into three categories:

Category 1: US colleges and universities with DoD prime contracts for RDTE defense-applied research (**533**)

Category 2: US colleges and universities with DoD prime contracts for assistance (**413**)

Category 3: Colleges and universities with DoD prime contracts outside the US (**161**)

Total: 1,107

A table of US school totals by state, combining Category 1 and Category 2, appears at the end of this list.

Brian Bogart is a defense statistics analyst and a University of Oregon Diversity Scholar and Peace Studies graduate student.

His thesis project juxtaposes 60-year trends in what President Dwight Eisenhower termed the “unwarranted influence” by the defense industry on government with today’s need for policies that defend a future threatened by climate change.
